April 5, 1980

Dear Harold,

Thanks for all the stuff you've been sending (and the affidavit Jim sent.) Here are the clippings you requested in your letter of 3/21; the NYT indexes and the CRS bibliography have been sent separately.

I don't have the Penguin compilation of documents which I described in the newsletter. It was fairly expensive, I think.

Thanks for giving my name to the lady from Ohio who is doing the bibliography. I've just replied to her letter. Our book, by the way, is still up in the air - despite the fact that PB has announced it in their 1980 high school & college list!

I'll be visiting my parents in Shepherdstown for about 2 weeks starting May 5. (Sue and Beth will fly ahead, and I'll get to relax on the train.) I hope we'll be able to get up to visit you.

With best regards,

Paul
